

Hello,

I want to remind everyone about the Umpire Clinic Sunday February 24th. We will be starting at 10:00 AM CST and end at 3:00 PM CST. The location will be at Michigan City High School. 8466 W Pals Rd, Michigan City, IN 46360. You can park in the back which will be the Southwest corner of the building the athletic center entrance. We will be using the classroom from 10:00 to 12:00 and then will break for lunch and start again at 12:30 in the gym and batting cages. Lunch will be provided. There is no cost for the clinic. We will be having cage work with either live pitching or the use of a pitching machine. we will use the gym for base work and field mechanics. This will be a great opportunity to get some cage work in and see some pitches. Make sure you bring your mask for the work behind the plate. We will not be having a batter taking live swings. Members of the Michigan City High School Baseball team will be on hand helping with the field and cage work. Please let me know by email if you plan on attending so I can plan accordingly.

Thank you to those that have responded back with your request to work the tournaments. If you have not sent your requests back please take the time to do so. It greatly helps in preparing for the season. If you have any questions please email me. If you have anyone new who might be interested in working this summer please invite them to join us on Sunday as well. I look forward to seeing everyone Sunday.
